

VETERANS FREE SOFTWARE ORDER FORM

To make the Captain's Log @ Home software available free to a veteran who sustained a brain injury in Iraq or Afghanistan, please complete this order form, then fax it to BrainTrain at **1-804-320-0242**. BrainTrain will mail the software to you with installation and registration instructions. It is not necessary for you to share any identifying information about your client with BrainTrain. If you have any questions, call us at **1-800-822-0538**. Please be aware that we must receive the information requested on this form and approve this order before we can register or support your client's software.

Dear BrainTrain:

Please send ____ copies (limit of 3 licenses at a time) of the Captain's Log @ Home software to me for use by my client(s). I certify that these individuals are veterans of the war in Iraq or Afghanistan and, in my professional opinion, are likely to benefit from the use of your cognitive training software in the rehabilitation process for the injuries sustained.
